## DESCRIPTION OF THE CRUISES

### Escaroupim and Avieira Culture Routes

**1 HOUR:** Departure from Aldeia do Escaroupim, Valada do Ribatejo or River Park. During this route we pass through the village of Escaroupim, “Ilha dos Pássaros”, “Ilha dos Cavalos”, “Aldeia da Palhota”, “Ilha dos Amores” and “Valada do Ribatejo”.

**2 HOURS:** Identical to the 1 Hour course, plus passes through a few more “Mouchões” along “Rio and Praia Doce” (“Mouchão”, also known as “Moichão or Morraceira”, is a fluvial islet where poplars or other endogenous vegetation, such as “Morraça”, grow. small size, are prone to floods and their size varies according to the river flow).

**IN THE MOONLIGHT:** Held on Full Moon nights in June, July, August, September and October. This tour has a wine tasting included, along with a tasting of Ribatejo sausages and cheese, with some surprises on the trip.

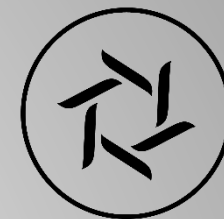

Any of these Cruises is an unforgettable experience around the Fauna and Flora of the Tagus River, where its Natural Beauty surprises the Visitor. We can find Herons, Ibis, Storks, Woodcocks, Patos Bravos, Eagles, Fataças, Bulls and the Lusitano Horse in total freedom... we will sail further... with Landscapes not to be missed... Along the routes, we talk about Avian Culture (Fishing, their habits and the Stilt Buildings or their Batters). Take the opportunity to visit the “Museu Escaroupim eo Rio”, as well as the Typical Avieira house.

On the other side of the bank, Valada do Ribatejo, dazzles us like a “carpet” of white houses and, in the background, the beautiful Ponte Rainha D. Amélia.

Embark with us and be “Welcome to the Tagus!”
